COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Examiner:

In response to the Notice of Allowance mailed 04/23/2007, please enter the following:

REMARKS

The Examiner has stated in the Examiner's Statement of Reasons for Allowance the following: "the CPA does not teach or suggest a method, computer-readable medium, or apparatus, which, when a user does not have sufficient privileges to run an installation program, recovers a set of user credentials that are associated with sufficient privileges to run an installation program from the software installation package, and then authenticating to the computer using the recovered set of credentials, where the installation program authenticates itself to the computer using the set of user credentials" (emphasis added).

In response, applicant points out that at least some of the independent claims (e.g. Claim 15, etc.) are not necessarily limited to at least the emphasized features that the Examiner has highlighted above. Just by way of example, at least some of applicant's independent claims are not necessarily limited to a situation "when a user does not have sufficient privileges to run an installation program," as the Examiner notes.

Clearly, at least some of the independent claims are not necessarily limited to the features that the Examiner has noted above in the Examiner's Statement of Reasons for Allowance, as emphasized above (by way of example only). Instead, each of the claims should only be limited by the language existing therein.

In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 505-5100. The

Commissioner is authorized to charge any additional fees or credit any overpayment to
Deposit Account No. 50-1351 (Order No. NA11P262).

Respectfully submitted,
Zilka-Kotab, PC.
